Individual Membership — An Exceptional Opportunity

Harness the Power of AHIP's Collective Expertise

[AHIP](#) is the national trade association for the health insurance provider community. For decades, it has been a champion for those who are working to make health care better and coverage more affordable for everyone. Tens of thousands of professionals from all areas within our industry rely on [AHIP](#) for first-class advocacy, industry news, career-driving education and training, and opportunities to engage with the experts guiding greater health.

As an AHIP member, you'll have a powerful partner in your corner, a voice that resonates with colleagues, clients, policy leadership, and the communities you serve. You'll also gain access to the tools and resources that drive success, to help you do your job even better.

Become an AHIP Member

AHIP offers [Individual Membership](#) to health care consultants, attorneys, insurance agents and brokers, practitioners, educators, and students.* Those who qualify also benefit from career development programs (both in person and online), networking opportunities at conferences, and impressive discounts on courses, conferences, recruitment services, and more.

Get the Benefits That Drive Success

Join today and take advantage of these AHIP [Individual Membership](#) benefits:

- Free access to one **State of the Industry** update featuring Matt Eyles, President and CEO, AHIP and/or other senior AHIP executives. **NEW!**
- Discounts on AHIP's [live and virtual conferences](#) and their networking opportunities.
- Discounted rates on AHIP [online courses](#)**, which you can use to earn continuing education credits or a career-driving professional designation.
- Automatic subscription to the **Federal News Bulletin** weekly e-newsletter, published exclusively for Individual Members.
- Up to five targeted [SmartBrief e-newsletters](#). Choose the topics and issue frequencies most relevant to the work you do.
- Discounted rates on [AHIP Career Center](#) job postings.

* Employees of current AHIP Member Organizations are automatically entitled to member benefits at no additional cost. For more information on how to access those benefits, please contact MembershipFrontline@ahip.org.

* If you are employed by a non-Member health insurance plan, you are not eligible for this type of membership. Visit the website for a list of our Member Organizations.

** There is no discounted member price for the Marketing Medicare Advantage + Fraud, Waste, and Abuse course; the Health Savings Account (HSA) Expert Certificate course; and Medicare Primer.

What Do You Need to Know about Health Insurance Now?

Count on AHIP for reliable insights and guidance—with [live and virtual conferences](#), [webinars](#), [self-study courses](#), [professional designation programs](#), and an online library of resources—available to further your professional development and deliver tremendous ROI.

AHIP's Education and Training Programs for Members Include:

- **[Annual Meeting](#)**—Formerly known as AHIP Institute & Expo, our annual meeting is where health insurance professionals experience what's next, now. Health care's essential event focuses on the newest tech innovations, advances in care delivery, and the breakthroughs driving health care's transformation.
- **[National Conference on Health Policy and Government Health Programs](#)**—AHIP's newest signature event explores the policy and operational issues influencing Medicare, Medicaid, and programs serving those who are dually eligible. You'll also gain insights on the future of employer-sponsored coverage and the individual, small group, and private health insurance markets.
- **[Webinars](#)**—A series of web-based seminars you can participate in from the convenience of your own laptop. These timely sessions cover health care's latest trends, topics, and solutions.
- **[Online Courses and Professional Designations](#)**—AHIP's educational programs can grow your expertise, demonstrate your commitment to the industry, and shape your career. AHIP's flexible, manageable approach to professional training makes it easier to take your career to the next level. Get ready to learn, achieve, and succeed.
