

Americans Agree: Protect Medicare Advantage

More than 30 million seniors and people with disabilities choose Medicare Advantage (MA) because it **delivers lower costs, more choices, and better care**. But the Administration has **proposed billions in devastating cuts to MA**—cuts that will **increase costs and reduce benefits for seniors**. Cutting MA is simply bad policy. Tell the Administration: Don't cut Medicare Advantage.

Medicare Advantage By the Numbers

Delivering for Seniors

30+ million

Americans choosing Medicare Advantage for their coverage and care.

93%

Senior voters with Medicare Advantage who are satisfied with their coverage.

9 in 10

Senior voters with Medicare Advantage are satisfied with preventive services like vaccines and screenings.

9 in 10

Senior voters with Medicare Advantage are satisfied with their prescription drug coverage.

16 out of 16

Clinical measures for which Medicare Advantage outperforms original Medicare.

80%

Senior voters with Medicare Advantage are concerned about cuts to their benefits due to rising inflation rates.

3 in 4

Senior voters say it is important for the federal government to protect funding for Medicare Advantage.

Saving Money for Americans

\$18

The projected average monthly Medicare Advantage premium for 2023.

98%

Share of Medicare-eligible Americans with access to a zero-premium Medicare Advantage plan with drug coverage.

\$2,000

The average value of extra benefits Medicare Advantage enrollees have, as a direct result of Medicare Advantage plans' negotiations, innovations, and value.

85%

Cost for Medicare Advantage plans to deliver the basic Medicare benefit, compared to original Medicare.

7%

Percent lower Medicare Advantage spending, compared to original Medicare on an apples-to-apples basis, as of 2019. That's real savings for taxpayers.

50% Less
